“HM AEROSPACE IS STEADFAST IN OUR COMMITMENT TO PROVIDE OUR CADETS WITH THE FINEST AVIATION TRAINING AND EDUCATION IN THE REGION.”

LET YOUR DREAMS TAKE FLIGHT!

Welcome to HM Aerospace – Malaysia’s Premier Flight Training Academy.

Operating from our full fledged campus facility in the beautiful island of Langkawi, we offer modern comprehensive aviation training courses ranging from the Private Pilot’s Licence for the recreational flyer to the integrated Commercial Pilot’s Licence and Instrument Rating with Frozen Airline Transport Pilot’s Licence (CPL/IR with Frozen ATPL) for the professional pilot.

All our courses are approved by the Malaysian Department of Civil Aviation in accordance with the International Civil Aviation Organisation (ICAO) requirements.

Within the short time that HM Aerospace has been operating, we have quickly become the training centre of choice amongst airlines and private students. This is attributed to the modern state-of-the-art equipment we have, such as the Diamond Series aircraft with Glass Cockpit and the latest ALSIM FNPT II Simulators. Coupled with this is an international team of highly qualified instructors. HM Aerospace is steadfast in our commitment to provide our students with the finest aviation training and education in the region.

We invite you to learn about how you can jump start your career with the many exciting opportunities that are available in the industry today and join the ranks of more than 900 pilots who have successfully earned their wings at HM Aerospace!

ABOUT US

WITH TOP RATED FACILITIES AND THE BEST EDUCATION PROVIDED FOR OUR CADET PILOTS, HM AEROSPACE IS DEDICATED TO OUR VISION OF BEING A LEADING PROVIDER IN AVIATION TRAINING.

HM Aerospace Sdn Bhd (HMA) is Malaysia's Premier Flight Training Academy providing world-class training and facilities for cadet pilots. We are approved and regulated by the Department of Civil Aviation, Malaysia.

HMA is also Malaysia Airlines' (MAS) choice as one of the training centres for its cadet pilots. Our first batch of cadet pilots was privileged to receive their wings from the Former Prime Minister Tun Abdullah Ahmad Badawi, who officially launched our Flight Training Centre during the Graduation Ceremony of our first batch on 22nd April 2006.

OUR LOCATION

THE ISLAND OF LANGKAWI IS WELL KNOWN FOR ITS ALL-THE-YEAR ROUND SUNNY WEATHER, MAKING IT AN IDEAL LOCATION FOR HM AEROSPACE.

HM Aerospace is located on the beautiful and legendary island of Langkawi. Our facilities are situated near the Langkawi International Airport. The serene and peaceful environment here makes it conducive for our cadet pilots to enjoy the location whilst pursuing their training at our centre. With its rich culture and history, Langkawi is also open to exploration by the cadets for their recreational interests.
